

Girls in Science and Technology Program 2017 – 2018

Cell Phone Policy

Cell phone may not be used during program hours for non-emergency purposes. Parents will be provided with emergency numbers to contact Girl Scout leaders and the staff of the American Helicopter Museum and Education Center. The participants in the Girls in Science and Technology Program (GIST) will be allowed to bring cell phones to be used in case of emergency. All cell phones must be placed on silent or vibrate during programs hours. Upon first violation, the participant will be given a verbal warning and asked to put the phone away. Upon a second violation, the cell phone will be confiscated for the duration of that day's program. Upon repeated violation, the GIST administrators reserve the right to notify the participant's parent(s) and suspend the participant's right to bring a cell phone to the program.

I hereby acknowledge that I have read and understand the cell phone policy.
